

| Helix Arts Programme week commencing 15 March - 30 April | | | | | | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|--------------------|------------|------------|-----------------------------------------|---------------------------------------------------------|---------------------|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Local charity Helix Arts invites you to make art together as part of 'Common Connections' a programme which brings people together by making art with artists. You can join a range of different artists every Tuesday. Some of these will also lead to regular sessions during April and May. All of the art created in sessions will be shared online in a digital exhibition to celebrate on www.helixarts.com . | | | | | | | | | |
| Tuesdays 13:00 - 14:30 | | | | | | | | | |
| Times | Days | Number of sessions | Arts | Dates | Instructor/Leader | Items required by participants | Max number in group | Theme/Art | Brief description |
| 15:00-16:30 | Tuesday | 1 | Helix Arts | 16.03.2021 | Louise Mackenzie and Guilia Coti Zelati | | 6 (3 pairs) | Film-making | Join artists Louise and Guilia to feel more connected online and explore simple film techniques. This taster leads into a project called 'Loose Connections' where the pairs will working towards the creation of a short film together. No experience necessary. This session is for pairs only (friends or family members together). The project will then take place every Tuesday morning 10 - 12 online 23 March 21 up to End May 21. |
