

All Saints Church

How to help

The Community of All Saints: living, thoughtful, caring faith

'There are different kinds of gifts, but the same spirit'. St Paul

All Saints is a large church community with many things going on. We try to work as a family with all of us contributing where we can to the worship and daily life of our church. Whether you have a few hours a week or the occasional snatched hour to donate to our life together we would welcome your involvement.

Attached is a list of volunteering opportunities. Some are infrequent and can take place at a time to suit you. Others are more regular (e.g. monthly) and tied to a particular time.

We would ask you to consider this list and complete the form, either for more information or to sign up. We are always happy to talk things through with you and try and see how we might be able to accommodate your wish to help.

Equally you may have skills/experience which are not listed and which you feel you may wish to offer. Again, please do list these on the form and we will contact you to explore how best we can make use of them.

We look forward to hearing from you.
